21 January 1955

MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT : Activity Report for the Week Ending 21 January 1955

1. General:

a. Support - (continued item)

As a result of meetings conducted during the week with the DD/A and representatives from the interested components of DD/P, this Office is preparing a summary of the problems and difficulties which presently exist in the operation of the CIA base

This summary will include recommendations for corrective action and will indicate the staff element which should be charged with the initiation of corrective measures.

b. Merger of COA/DD/P Functions with the DD/A - (new and continued item)

The Logistics Committee appointed by the DD/A, as a result of several meetings held, has finalized the initial measures to be placed into effect so that the logistics functions presently performed by Chief of Administration, DD/P may be transferred to this Office in a uniform manner. These recommendations were transmitted to the DD/A on 21 January 1955.

c. DCI Move - (continued item)

Plastering, installation of tile, plumbing, and electrical service has been completed in the DCI kitchen and dining space. Efforts are being made to assure completion of all alterations affecting DCI occupancy by 31 March 1955.

2. Projects and Studies in Process

a. Report of Audit - (continued item)

The Director of Training has concurred in the recommendations pertaining to corrective action required in logistics functions
